our LOVE our LOVE story..

"The way he makes me feel is like something I've never felt before. The feeling is like a very empty space inside me has been filled by his love. When I look into his eyes, I see us growing together. I can't help but smile. Knowing he feels the same makes it even better because without that we would have nothing. Since we've been together, the days turned into months and the months turned into years. I can hardly believe its been three and a half years. The worst part of each day is having to say goodnight. I never knew I could feel the way I feel about him."

Twins!

Get Outdoors!

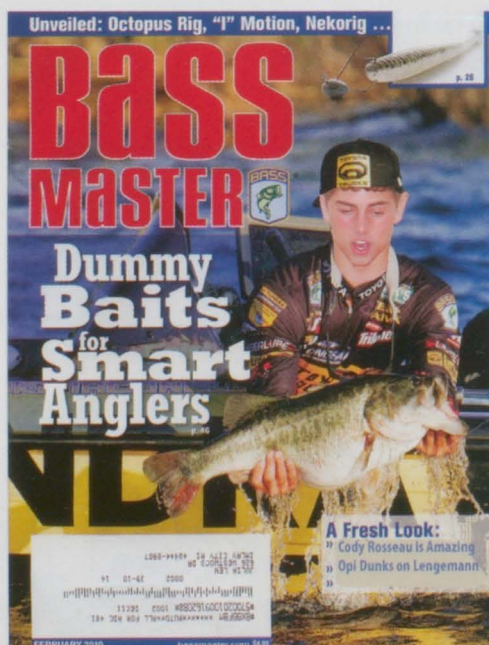

This page is dedicated to the many outdoor sportsmen and women we have at Capac High School. So if you haven't done it lately *Get Outdoors!*

Above Left: Josh McDonald lands a super sweet 8-point buck. **Above Right:** Kody Kurtzhals uses his 12-gauge shotgun to get this 6 pointer

Above: Glenn Kohler shows off his trophy rack. **Right:** Cody Rosseau makes the cover of Bassmaster magazine.

Above: Katelyn McVeigh holds up a nice Blue Gill caught on a red crankbait. She is the only girl to make the page, hopefully more girls will submit their outdoor photos next year.

Left: Brad Kosto uses a the neck kill shot to harvest this nice 8-point. **Above Left:** Justin Heiden brought his fishing pole to Holly Meadows on a late afternoon golf practice. While waiting to tee off on the back nine he brought in this monster 3 lb largemouth from the water hazard in front of the 9-hole. That's almost as good as a hole in one! **Above Right:** Austin peak lands a 4 lb Florida Strain Black Bass in Lake Okeechobee in Florida over Spring Break. How sweet it is!

Angotti Saves Life!

"It was Homecoming Day and Mr. Nahorodny, *who is deathly allergic to bees*, and I thought it was a good day to watch his son in the Marching band. What we didn't know was that Mr. Nahorodny's life was in danger. As we watched the band a tiny yellow fiend was flying directly for Mr. Nahorodny. Knowing his allergy, I defended, we knew this bee was not messing around. This was personal.

As Mr. Nahorodny cowered in fear, I swatted at the beast. Finally I made direct contact with it, and as it spiralled to the ground, I had one last chance to stop it, so I Ghetto stomped it. Only then did I know I won the battle and Mr. Nahorodny was safe.

The road you've traveled in your high school years has been complicated. You have overcome difficulty after difficulty, only to find another one laying in wait. But for every struggle, I have seen accomplishment. Every obstacle has brought triumph. For each goal set, victory. You have risen above all of it, while defining who you are. You have your eyes locked onto the future, and there is no doubt in my mind that life is about to unfold for you. Soon, you will be cashing in on the rewards of your resolve and determination. I couldn't be prouder, I couldn't love you more! I will always be here for you. You are my hero Cheyenne. And yes.....
